A NOTE FROM YOUR COORDINATOR

Welcome to a New Year from your new Seniors Program Coordinator! With each new year we often reflect on the past while making plans for the year ahead. As I stepped into this position, I started looking through old newsletters to reflect and get a feel for how our programs ran before Covid struck. The last years have been quite difficult at times, but I am excited to get our programs back up and running. Of course this excitement comes with cautious optimism. We know that Covid is still running strong in our community and there will be some bumps in the road as we continue to reopen. Despite the challenges that may arise, I look forward to the journey that lays ahead. Let's all hope for a healthy new year and many good times spent with Lewiston Senior Citizens friends.
